Re: **Docket No. T-01051B-02-0871**
Arizona Corporation Commission v. Qwest Corporation

To whom it may concern:

During the May 28 expedited hearing in Docket No. T-00000A-00-0194 (In The Matter Of Investigation Into Qwest Corporation's Compliance With Certain Wholesale Pricing Requirements For Unbundled Network Elements And Resale Discounts), Administrative Law Judge Nodes granted, in part, Qwest's motion to strike portions of the direct testimony and the rebuttal testimony of Mountain Telecommunications, Inc. (MTI) witness, Michael Lee Hazel. Specifically, Judge Nodes struck those portions of Mr. Hazel's testimony which address changes to Qwest's rates for multiplexing as being beyond the scope of the issues designated for hearing in Docket No. T-00000A-00-0194. In granting portions of Qwest's motion to strike, Judge Nodes stated that Mr. Hazel's testimony regarding multiplexing rates could be presented in the instant proceeding since it addresses the manner in which Qwest has implemented Decision No. 64922. Specifically, Judge Nodes struck page 6 line 9 through page 8 line 10 of Mr. Hazel's direct testimony and page 4 lines 7 through line 14 of his rebuttal testimony.

Mr. Hazel's direct testimony was filed in both dockets. However, his rebuttal testimony was filed only in Docket No. T-00000A-00-0194. By this letter, MTI, through undersigned counsel, hereby advises the Administrative Law Judge and all parties that it plans to produce Mr. Hazel at the June 12, 2003 hearing in this docket and that it intends to have the stricken portions of his testimony addressing multiplexing rates admitted into evidence at the hearing in accordance with Judge Nodes' May 28 ruling.
